

NUTRITION FORCE PRIVACY POLICY

Nutrition Force complies with the Privacy Act (1988) and is committed to protecting the privacy of individuals and their personal information. The purpose of collecting personal information is to provide quality Nutrition and Dietetic health related services and associated account keeping. Every client has the right to access their personal information. Nutrition Force makes every effort to manage information in accordance with the National Privacy Principles and keeps accurate and up to date records.

The release of relevant personal information is only allowed to other health professionals to allow quality medical care including, but not limited to medical practitioners, specialists and other allied health practitioners.
